Familia Ortiz

El Pescador is a reality thanks to the support of our customers, the unity of our family, and the principles taught to us by our parents, Carlos and Isidra Ortiz.

In 1983, Manuel Ortiz, the eldest brother of our family, fulfilled his dream of owning a restaurant. El Pescador restaurant began and opened its doors in Bell Gardens, California. Manuel counted with the support of his family, father and ten brothers.

Later, each brother would open their El Pescador restaurant and reached their own dream. The Ortiz brothers follow the sage advice of their father Don Carlos by working to serve their customers like one of their family. They continue the entrepreneurial spirit of Doña Isidra by providing great value to our clients everytime they visit us.

The Ortiz Family- Carlos Sr., Isidra, Manuel, Raul, Jesus, Carlos, Abel, Eliazer, Gustavo, Vicente, Horacio, Victor and Alejandro - thank God and each one of you for believing in us and in each El Pescador restaurant.
